Dear Prayer Partners, Loved Ones, and Friends,

Preaching when the body won't let me stand up

A message from the word in Huehuetenango, Guatemala

Our last trip to three countries was blessed of God more than any other trip that we have made. When our Lord blesses greatly, the gates of hell open and all of satan's fury is unleashed. We have experienced severe stomach problems, our ministry has greater financial problems than ever before, we've been forced to cancel anticipated very fruitful trips of ministry, dear friends have become tired of the struggle, and yet, through it all Judy and I know we are being obedient to His call on our lives.

We believe that the above problems are another evidence that God is doing something that has significant eternal results.

We have a major problem. A gracious temporary loan (\$2,800) was made to our ministry to repay the American Express card that was used to purchase the airline tickets for the last trip. It is wrong to take travel expense money until all of this loan is repaid.

The 2nd of August I have been asked to be one of two speakers at an 8 hour conference for more than 500 Guatemalan pastors. We have just enough frequent flyer miles to purchase our tickets, but do not know how we will pay for hotel and meals.

In thirteen months we have had only one day of sightseeing and that was with a pastor and a city councilman in Lima, Peru. We usually arrive in country at night, start our pastor's seminar early the next morning ending around 1pm, eat lunch, try to rest in the afternoon, at least 2 hour seminar at night, and by that time all restaurants are closed so we go to bed.

We live the kind of life we live because we are blessed to see Pastor's and church members transformed into people who love God and become truly useful of the Lord.

- Those of you who pray for us each day are a vital part of our being fruitful in ministry.
