**80TH ANNIVERSARY  
EL PASO  
INTERNATIONAL  
AIRPORT**

**Our 8 day trip to El Paso and Juarez was very busy and like all trips we were blessed to be used by our Lord. This trip was personal for us in many ways.**

**Some may not know that in El Paso 50 years ago, August 28, 1958, I accepted the Lord and October 31, 1958 I fell in love with "my Judy". That same year we both began teaching a Sunday school class across the river in Juarez. For many reasons this is our year of "jubilee".**

**TRIP TO EL PASO AND JUAREZ**

- Taught seminar in El Paso to Hispanic pastors from West Texas and Southern New Mexico
- Taught seminar at seminary south of Juarez, Mexico
- Taught seminar to pastors of Juarez Ministerial Alliance
- Preached in churches where I preached 45 years ago
- Spoke at El Paso International Airport 80th Anniversary
- Taught two classes at El Paso High School

We were blessed by many acts of kindness and love.

After 34 years of dental practice in El Paso, our dear friend, Dr Rene Rosas, retired to become a dentist for "the people". Now in his 70's, Rene for the last 12 years has worked 40 hours a week providing dental care for those who are below the poverty level.

Rene is not only an excellent dentist and a great humanitarian, but he was the first Hispanic elected President of the Texas Dental Association and the first Hispanic elected to the board of the American Dental Association.

This prince among men blessed my Judy. Because we are on Medi-Cal (Medicaid) many of her dental needs have gone untreated. Rene spent hours over four days fixing Judy's teeth. We will always be grateful for the love we received from he and his sweet wife Irma.

While in El Paso and Juarez we renewed acquaintances with many friends, one we had not seen in 50 years.

**NEXT TRIP - 21 DAYS - OCTOBER 1-21**

During our 12 days in Costa Rica we will hold 7 seminars, on the Atlantic and Pacific coasts and one on the northern border with Nicaragua. We will literally be all over that country. Rigo has done a tremendous job of organizing these seminars.

We then travel to Guatemala for 8 days of meetings, seminars and helping plan two large November convocations of prayer for revival (5,000-10,000 people each)

## **PRAYER NEEDS**

- For the ministry of Rigo and Laura. His responsibility and leadership of more than 50,000 intercessors in Costa Rica and for his evangelistic crusades in rural areas.
- For pastors and church members who are suffering from murder, kidnapping and extortion in places like Juarez, Mexico, Guatemala, Venezuela, etc.
- For revival to come to a country in Latin America, so that hundreds of thousands will come to know Christ.
- For our November meetings in Guatemala: The purpose is to reach Christians from rural areas with the message of prayer and revival.
- For a used PC (tower only) and used cell phone. This will help Rigo and I communicate more effectively.
- For a digital camera to replace the one that broke on this trip.

We are grateful for each of you who pray for our ministry and for those who provide funds for our travel expenses. We strive before God to be proper stewards of every dollar. We do not receive a salary. Our actual expenses are covered.
