MY DEAR SON IN CHRIST AND MINISTRY WHO FOR YEARS HAS FAITHFULLY PASTORED TWO STRONG CHURCHES

OUR HANDS ON THE PASSAGE I PREACHED 36 YEARS AGO WHEN HE ACCEPTED CHRIST

We have just returned from a very busy and fruitful trip to much of Costa Rica and to Guatemala. Rigo did an excellent job of

organizing our seminars and together we are planning large meetings in several countries.

We both recognize that physically, Judy and I cannot continue to travel the back roads of each country trying to reach each and every pastor with the message of prayer, holiness, and true revival. Together we all believe that we can have large seminars in key cities, which will impact each country.

Forty years ago (1968) we arrived San Jose, Costa Rica en route to Lima, Peru to be a missionary businessman. Little did we know that God would keep us in that country and allow us to see more than 5,000 accept Christ in our first two years. On this trip, literally wherever we went, we found people whose lives Christ had changed through our "Upper Room" ministry. You cannot imagine the joy we felt seeing men and women still faithful to HIM after these many years.

At each of our seminars, I teach that "the most powerful weapon on earth is a man who presents his life holy acceptable unto the Lord". The world needs to see not only pastors, but every Christian live a life of holiness and repentance.

After accepting Christ in our "Upper Room", Leonides (see picture) traveled for 22 years throughout Costa Rica, showing films as a Christians Sharing Christ missionary. Through that ministry he saw more than 25,000 accept Christ. This dear brother now pastors one of our churches in the north of Costa Rica. His

church has doubled in size in the 14 months he has been it's pastor.

We paid a heavy price physically to teach a seminar on the Island of Chira in the Gulf of Nicoya, but our loving heavenly Father blessed us beyond measure for this effort. Our trip by small boat through alligator infested channels was memorable to say the least. Few travel to this remote area to minister to their needs but God led us there and HE blessed us and the lives of many.

We spent 11 days in Costa Rica. During a period of 2 1/2 days we traveled 800 kilometers (500 miles) by car over often times very difficult roads to reach areas where we held three pastors seminars and preached in a church less than 10 miles from the Nicaraguan border. We held another seminar for pastors in San Jose and preached in three other churches.

We were scheduled to be in Huehuetenango and Guatemala City for 8 days, but for health reasons we cut our stay to 4 days. Three brothers drove 6 hours from Huehue for a lengthy meeting with us in our hotel. We also were able to meet with several other Guatemalan leaders during our time of staying close to our hotel.

On our last morning in Guatemala City, God gave me the opportunity to share HIS love with 80 Catholic businessmen and professionals at a breakfast.

During our trip three prayed with us to receive Christ and many more accepted His gift through the preaching of HIS word. We

thank HIM for the many lives that will never be the same, including our own.

PRAYERS NEEDS:

- We believe God would have us try again to begin the translation of Ron Dunn's sermons. Pray for the logistics involved.
- Pray for Bolivian Christians who see their country on the verge of a civil war. Pray that we will know HIS will for us returning to that country to strengthen and encourage their pastors.
- Pray for Rigo as he continues to preach crusades in rural areas of Costa Rica.
- Nicaragua is on the verge of significant political turmoil and we hope to have a seminar in Managua in early December. Pray for God's timing.
- Our videos will be shown on more television stations in several countries. Pray that they will be seen by groups of pastors in unreached rural areas.
- Pray for health and physical strength to fulfill our part of the 5 year pact we have with God.
- Please pray that we will be hidden behind the cross each and every time we preach or teach a seminar.

Yours for souls,

Charles and Judy Moore
