Our time in Nicaragua was very busy and very fruitful. Pastors from other parts of the country attended the seminar and they are already planning a much larger seminar so we can reach many more in Nicaragua with the message that through prayer their country can be won to Christ.

HISTORY

In December of 1972 we took a short trip to Texas from our ministry in the market place of San Jose, Costa Rica. This two-month trip was to help us prepare to move to Managua, Nicaragua the first of February to begin a market place ministry to the thousands in their very large central market. At 12:35am on December 23rd (while we were in Ft Worth) Managua suffered a horrible earthquake (25,000 died) which destroyed "our" market place and left it on fire for 4 1/2 days. We were never able to start a ministry to the lost in that market place. We were broken hearted that we had not stood in the "Gap" (Eze 22:30-31) for Managua. We then moved to San Salvador, El Salvador but we had learned that we could by faith intercede for a city and a nation by asking our heavenly Father to spare that people until we could share Christ with them. The night we arrived San Salvador, God woke us up twice with strong earthquakes which did no damage. We praised His name for honoring our intercession for our new country and thanked Him for showing us how He had answered us by letting us feel those two quakes. Are you standing in the Gap for your city or country?

We had a very important meeting in San Jose with several leaders who are planning a very large event for the 27th of January. We will teach our seminar and exhort several thousand Costa Rican Christians to, through prayer, become witnesses of God's grace shown to us through His Son. How we desire to see every "Tico" come to Christ.

In less than 24 hours we leave our beloved Costa Rica for Texas and then Arizona where we will preach and testify of our Lord's love and faithfulness to answer our prayers. In each of these states we are available to preach morning, noon, or night of God's greatness. Call Ken McGovern at (817) 481-0095 if you have a place or time where God can use us.

THANKFUL FOR ANSWERED PRAYER

- We have seen His hand upon us in the preaching and teaching of His word and through seeing a taxi cab driver accept Christ.
- We were physically able to make this trip. We both left San Diego with various medical problems but He has allowed us to fulfill each opportunity of ministry.
- We had enough money to make this trip and to be used of Him.

PRAYERS NEEDED:

- Between today and the 18th of December we are at home only 5 days. God must provide us strength and health if we are to finish what He has called us to do before year's end.
- We are still short necessary funds for our very important trip to Santa Cruz, Bolivia (WE LEAVE IN 20 DAYS). Because of finances Judy may not accompany me on this trip. Everyone has challenged us to not have a 69-year-old travel out of the country alone and more importantly, Judy is a much needed travel companion and prayer warrior with a love for the people that they immediately respond to.

November 16, 2008

- We will be speaking in various churches in Texas and Arizona and believe that God has given us a message for Christians in America.
- We will have three large meetings (Costa Rica, Guatemala, and Nicaragua) soon after the first of the year. Pray that He will provide all that is necessary to have the greatest impact on each country.

Thank you, for all each of you have done to give us the opportunity to be used of God to bless thousands.
