

Dear Prayer Partners, Friends, and Loved Ones,

June 05, 2009

Revival could be coming to this church in Perez Zeledon, Costa Rica

Pastor and his wife who love the Lord and are seeing HIM bless their church

Preached 3 one hour sermons in 15 hours, sitting down

Half way up 12,000 foot mountain on our return from Southern Costa Rica

Home just in time for our Grandsons graduation

Chilean son in the Lord from 1971 who has a ministry to businessmen

Less than 48 hours ago I returned from an 8-day trip of ministry to Costa Rica. During each of our trips of ministry, over the last 2 years and 4 months, we have seen God's mercy and grace in extraordinary ways, however this trip He greatly worked in my life and it resulted in greater blessings than any trip before.

During our 28-day trip to Costa Rica we preached 20 messages of at least an hour in length in 11 churches on the Atlantic and Pacific coasts, the southern part of the country, rural areas, and in the Capital of San Jose. We saw literally hundreds come forward in brokenness under great conviction. "Gods word does not return unto Him void"

God is doing something special in several churches in this country and several other churches are praying that God will also send revival to their church. Many are praying that HE will send revival to their whole country and many more are praying that the sin in Jaco will be removed.

In a city called Jaco, frequented by Americans and Canadians, it is a well known and proven fact that child prostitution is rampant. We drove down the mountain to Jaco to preach and exhort the pastors of this area to begin praying that God will do a miraculous work and save these children from the life they are forced into. We preached a strong message to the City Mayor and his wife and were blessed by their response. Revival will not come to all of Costa Rica until this cancer of sin is removed

We continue to be amazed how God gives us power and strength to preach His word. Several pastors, one or two in tears, told us how God blessed them, and how they believe their lives and ministries will never be the same.

Judy's fall, that could have been fatal, and her continued health problems will keep her from making our next trip. She may make this weeks short trip with me to meet with Carlos Munoz and preach in his

church. I will need someone to travel with me if I travel to certain countries.

As I write this, Rigo is on an airplane flying over the Atlantic to attend special meetings on how to win a country to Christ. Several thousand from throughout the world have been invited to this meeting and it is a distinct honor for Rigo to be chosen to represent Costa Rica.

PRAYER NEEDS:

- **Rigo and his time in London**
- **Judy and her health**
- **The sin of child prostitution in Jaco, Costa Rica needs to be stopped immediately.**
- **Decision on where God would have us go next. Invitations from 4 countries but we want to go where HE can use us the most to impact a country for Christ.**
- **For pastor's and churches who have a new love for Christ and want to see Him bless their church and their country.**
- **With each trip, regaining our strength seems to take longer. Pray that God in a short period of time will give us rest that we sorely need.**
- **For financial support to continue doing what God has called us to do.**

Love in the Lord to each of you from,
