CHURCH THAT IS CONTINUING
TO PRAY FOR REVIVAL**

By the time some of you read this, I will be on a plane flying to Costa Rica to preach a series of meetings in a church that is "ready to see revival." They have a two-hour prayer meeting every day. PLEASE PRAY!!

We continue to hear very exciting reports from Costa Rican churches where we have preached messages on revival. One large church began a prayer meeting at noon on Saturday, planning to stop at noon on Sunday, before their evening service. As the noon hour approached, high school students brought in unsaved friends, and many came to Christ before the service ended. God always blesses a church that talks to Him (prayer) out of a great love and desire to glorify His name.

From Costa Rica, I fly to Guatemala to speak to more than 1,500 Mayan pastors and leaders on what it will take for them to see another revival

in their country. We will preach numerous times during this 8 day period in Guatemala.

God is blessing Latin America in ways He used to bless the United States. For every child born, four people accept the Lord. Compare that fact with the United States where we see one person accept Christ for every ten babies born. Now you see why God wants to use us in Latin America. He blessed me with learning Spanish when I was a small child on the Mexican Border in Texas.

We are compelled by our Lord to preach in every city, town and village in Latin America, until a great revival begins. The revival of 1858 in America saw 1,000,000 accept Christ and that revival then spread to Europe where in 1859 another 1,000,000 came to Christ. Oh, that God will send a great revival to Latin America!

By faith, we have purchased Judy's airplane ticket to meet me in Guatemala, and travel with me up into the mountains. Her not traveling with me to Costa Rica will save us around \$400. Like many of you, we are more cautious than ever on how we spend limited resources.

As the Apostle Paul said, "Permit me a little folly." Our Jewish Cardiologist asked, "When are you going to retire?" Happily I told him "When I am through!" Wrong answer! Now I have an appointment to see him every four months, something I don't want to take the time to do!

The last of August in Costa Rica we will have a large meeting in the city gymnasium where the prostitution of small girls is second only to

Bangkok, Thailand (worst in the world). FACT: There are more than 800 prostitutes in this small city with less than 600 church members.

Churches within 50 miles will send buses with their members to unite with others to pray that God will forgive and remove this sin from their country. This all-afternoon meeting needs your continued intercessory prayer.

How great it is that we serve a living Lord, a God who loves us greater than any earthly Father. By His grace we have been called to "redeem the time" that we have on this earth by seeking to win the world to Christ.

We are grateful for the prayers of many, as Judy's health has been steadily improving, and now she can once again travel with me, which is a great help and blessing for me!

PRAYER NEEDS:

- On Saturday, the 29th of August, we will hold a 4-hour meeting in the gymnasium of the small city in Costa Rica that is the only city in all of Latin America known for the prostitution of large numbers of young girls. PRAY that the demonic walls of this city will come tumbling down. **Revival will not come to Costa Rica until this horrible sin is removed from their country forever.**
- Meetings in Cobano, Costa Rica (for revival)
- Meetings in Guatemala (impact on pastors and all our preaching services)
- For God to remove the child prostitution NOW!! in the Costa Rican City
