**BEAUTIFUL VIEW OF WHERE I PREACHED TO
NEARLY 4,000 DEAR CHRISTIANS
HUEHUETENANGO, GUATEMALA**

CITY-WIDE MEETING-SEE DETAILS BELOW

PASTORS PRAYING FOR CITY'S MAYOR

(MAYOR AND HIS WIFE ARE IN THE MIDDLE OF THE CIRCLE)

This trip was very special and very important. The pastors' seminar, preaching services and television appearances were each blessed of God, however I believe the citywide meeting in Costa Rica will have the greatest impact.

The number of prostitutes in this city is greater than the membership of all churches combined. The most alarming fact is that the number of underage prostitutes is equal to half the total membership of all churches. Many junior high school students are part of this number.

You have seen that I purposely do not give the name of this city. I am sad to say that the Mayor of this city told me that almost 90% of all of the "Gentlemen's Clubs" are owned by Americans and the

overwhelming number of those who frequent those establishments are from North America.

At a dinner hosted by the Mayor, we discussed how the prostitution of young girls can be removed from their city. The pastors are now planning an All- Day Prayer Vigil in the municipal park. Some are preparing to "march" around their city limits, asking God to do what He did to the walls of Jerico. But we are going to do more.

Everyone is in one spirit that our plan must be to win this city to Christ. We are now planning an Evangelistic Crusade the first weekend of December, where Rigo will preach 3 nights in the city park, which is located in the very heart of the area of greatest need.

During October, Rigo and I will do the "pre-campaign" meetings where we will begin prayer cells for this crusade. We will teach church members how to counsel those who will accept Christ in the crusade. We believe, by God's grace, large numbers will accept Christ and we will have an impact on the sin of this city.

In less than two weeks, I travel alone to Guatemala, where Rigo will meet me to travel up into the mountains. We will go, town by town, preaching the message of revival to the area in that country, where in 1932, the only revival in Latin American history occurred. We are believing that God will greatly bless this trip. This journey will be very painful for me. We will travel hours by four-wheel vehicles during Guatemala's rainy season, over unpaved mountainous roads. We are excited about God giving us the opportunity to obey His call to reach the Mayan people of these very high mountains.

This weekend Rigo travels to Panama to finalize the arrangements for the large evangelistic crusade he will have in that country in October. He also has other smaller crusades planned for October and November in remote rural areas of Costa Rica.

PRAYER NEEDS:

- Pray that the abominable sin of the above Costa Rican city will be removed. Please begin to pray for the efforts described above.
- Pray for Rigo's trip this weekend to Panama and the crusade that he will hold in a few weeks.
- For Judy's health to be restored and for my "batteries" to be fast-charged during the 10 days before my trip to Guatemala.
- For the Christians of western Guatemala to see another life-changing revival.
- A dear Christian friend from our college days has provided funds for our upcoming trip to Guatemala. We still have needs to pay for travel, hotels, and food within the country. Please pray that God will provide in a way that some of the arduous aspects of this trip will be removed.
- Please pray that God will visit a country in the Americas and that we will see revival in our day resulting in millions coming to know and love our Saviour.

With much love in and through Christ Jesus
