RIGO WITH DEAR  
COSTA RICAN PASTOR

MY LOVE AND I IN THE  
MOUNTAINS OF GUATEMALA  
WHERE WE WILL BE IN JANUARY

RIGOS' FAMILY INCLUDING  
GRANDSON

TYPICAL DRESS FOR ONE OF 22  
MAYAN RAZAS IN GUATEMALA

I have just returned from a very fast, but extremely fruitful trip to Guatemala City. In a short period of time Rigo, our dear friend Estaurdo Clara Vela, and I were able to plan the pre-campaigns and two crusades, to be held in February and March, in two mountain cities of western Guatemala (see paragraph below).

My open-heart surgery 12 weeks ago has hampered me somewhat but I am improving with every day.

This Tuesday, I leave for two meetings in Azle, Texas, on Wednesday, the 16th. One will be a luncheon meeting with Pastors of that area, and the second, a night service in Parkway Baptist Church. Thursday, I have two meetings in the Grapevine/Dallas area, returning home on Friday.

God greatly blessed our crusade in Jaco, Costa Rica. If you read our previous newsletter, you read Rigos report on the results from the first night.

Let me tell you "the rest of the story". Remember, there are fewer than 500 church members in this small coastal city, so when you see genuine decisions that will increase the membership by half, there is reason to rejoice. All of the pastors in the city believe the results of the crusade will impact the area and the serious problem of child prostitution. The Mayor joyfully expressed his gratitude for what God had done in his city.

Rigo is presently in Panama organizing our January 9-19 Crusade in that country. It will be in a suburb of Panama City, the area of that country known to be the center of drug activity.

On the 18th of January, I will travel to Guatemala City, to begin a trip to Soloma, Guatemala, a small city in the western mountains of that country. This trip will be to hold a Pastor's Seminar on prayer and revival, and then to teach the Pre-Campaign to church members for their upcoming Crusade. The following week, I will fly with Missionary Aviation Fellowship to Barillas a very remote city in the same mountainous area, to repeat what we will have done the week before in Soloma. These times with the Pastors and church members are to prepare them to care for and disciple new Christians who will make decisions in the three-day Crusades that Rigo will preach later in each city.

**AN INVITATION:** There will be room for two men to accompany me during the first week and as those two return to the States there will be room for one man to accompany me on the small MAF plane to the remote and mountainous city of Barillas. Each trip is for a period of one week. These week-long trips will be to regions of beautiful Guatemala largely inhabited by different Mayan Razas (not called tribes) who have worn their typical dress for centuries. This will be an unforgettable trip and I only wish that each one of you could go with us for what I believe will be a life-changing experience.

## PRAYER:

- For my trip to Texas on Tuesday
- For next years pre-campaign and crusades in Panama and Guatemala
- For revival to come to at least one country in the Americas
- For personal revival and for revival to come to your church
- For my continued recovery
- For necessary financial support

Most likely this will be our last newsletter this year so let Judy, Rigo, Laura, and me wish each of you a joyful Christ centered Christmas and may this coming year be one that glorifies the Name above all names, Christ Jesus
