

Dear Friends, and Loved Ones,

Barrillas City Gymnasium full with more than 1,000

We thank the Lord for those who accepted the Lord tonight in Barillas packed city gymnasium.

Barillas is a remote rural community where the dirt road ends. The only way to reach the thousands who live in the surrounding mountains is by horse back or with a very powerful double traction vehicle, and even then you have to travel hours to go a hand full of miles.

There are many in this area who still worship "Mayan Gods". This presents certain distinct problems when the gospel is preached with power.

To those who know what spiritual warfare is, let me encourage you to pray the blood of Jesus over the next two crusade services (Friday and Saturday nights).

Please continue to uphold Rigo in prayer before the Lord. Tonight he expressed his belief that God is going to bless mightily in the next services.
