

**Dear Prayer Partners**

**This morning Rigo finished the crusade in San Miguelito, Panama. You will recall this community is the drug center of the country where Rigo preached our crusade a year ago.**

**Eighty-four accepted Christ and all but a handful of these new Christians attended an eight o'clock combined service this morning where they were encouraged on how to grow in the grace of our Lord.**

**We are grateful for your intercessory prayer and grateful for those of you who sacrificially gave so that this crusade, the first of four, could be held in Panama and Colombia.**

**The last e-mail you received from me was one of the strongest pleas for ministry money that I can recall having ever sent.**

**There were many churches, both in Panama and Colombia excitedly waiting for Rigo to preach to the lost in their community. Churches who for weeks had gathered together to pray that God would bless their up coming crusade.**

**After much agonizing prayer I had the freedom to send the e-mail. We needed \$1700 for the expenses of the four Crusades and when I sent the request for prayer, our ministries bank balance was less than \$300. God honored your prayers, because two days before Rigo was to catch a plane for Panama and the first crusade, we finally had enough funds to send him by Moneygram the \$1700.**

We praise the Lord for honoring your prayers and for His blessing our ministry through the financial support of a handful of Christians who stand with us in our call to win all of Latin America to Christ.

## SOME DETAILS OF PANAMA CRUSADE

- Each night Rigo preached in the open-air on a soccer field during torrential rains. Despite the circumstances 200 to 300 attended each service and 84 accepted Christ.
- During the actual service of the second night, the soccer field was surrounded by numerous police cars as a raid on a nearby drug center was being carried out. Remember during last years crusade there was gun fire close by.
- The area where Rigo's small hotel is located has had a major problem with its water system. No clean water for drinking or bathing.
- You can hear in Rigo's voice his tiredness and we are grateful that tomorrow has been set aside as a day of rest before he leaves for Colombia and an extremely demanding schedule.
- Because of the robbery of Rigo's laptop and camera while in Guatemala, sadly we will not be able to show you pictures of these crusades.

## PRAYER REQUEST

- Most importantly please pray that each of the three Crusades in the next two weeks, will bear much fruit for the Lord.

- Please pray that in each service Rigo will preach a message from God and many will be saved.
- Despite Rigo not preaching animated messages he is having a serious problem with his throat and voice.
- Rigo is already worn out and the very difficult part of this trip has not yet begun.
- Roy González, who lives in Panama, will be traveling with Rigo to Colombia. We are grateful to God for His arranging for this godly young man to accompany Rigo.
- An effort is being made to rent a motor scooter so Rigo and Roy can avoid having to walk very long distances between meetings.

Judy's mother who would have been 99 years old this coming March, went to be with the Lord this week. She lived a full life and will be missed by all of her family. Judy and family are doing well and a memorial service for the family will be held in the future.

Now that we have the funds necessary to complete the Crusades in Panama and Colombia I can begin prayerfully planning for my up coming very important trip to Lima Peru. This trip is to arrange all the details for our two very large Crusades in the largest slum area of that country.

The actual two weekend Crusades in Lima are planned for the last of April and the first of May. We would like to take 10 to 20 godly men from the U.S. to be part of these crusades. Between the weekend Crusades, these men will have the blessing of flying up to Cuzco (10,000 feet) and then by train up to visit the last Incan capital at Machu Picchu. Please pray that God will lead godly men to begin praying about being part of this 10 day ministry trip.

Again let me thank each prayer warrior for daily praying for our ministry and let me thank each of you who have felt led to provide necessary funds for our ministry.

Love in the Lord to each of you,
