

Dear Prayer Partners, Friends, and Loved Ones,

BLESSING IN MANAUS BRAZIL

We rejoice that more than 1,025 people accepted Christ during our two day crusade in Manaus.

Rigo also was the keynote speaker for 50th anniversary celebration of the Evangelical Wesleyan church in Brazil and Argentina.

In the first six months of this year, Rigo has preached 15 three night Crusades and 7 one night evangelistic meetings. We rejoice in the fact that more than 5,255 have accepted Christ in the combined meetings. The additional blessing is that most of our crusades are in rural areas.

Do you realize that many churches in the United States spend thousands of dollars to reach only a few while in Latin America we are seeing thousands accept Christ, this despite our having very limited funds.

Pastors and Christian leaders throughout Latin America recognize that Rigo has been blessed with the gift of an evangelist. The list inviting Rigo to preach a crusade continues to grow at a rapid rate. Our ministries limited resources keeps us from paying travel expenses, the only thing that we are required to do for each crusade.

Rigo and his family receive a love offering from our ministry of \$500 a month. This is less than half of their monthly living expenses. Their family includes a college, high school , and grade school student.

Because of a lack of \$300 for airfare, this Monday we will have to cancel a crusade for 22-24 July in Soloma, Guatemala. During this trip to Guatemala, Rigo was to have met for the second time with the ministerial alliance of the city of Huehuetenango to finalize plans for a large crusade in that cities soccer stadium.

Grateful for your prayer and financial support,

All Gifts to this Ministry are tax-deductible and should be made out and mailed to:
