

Dear Prayer Partners, Friends, and Loved Ones,

Rigo is having a very blessed and fruitful April. He has seen many accept Christ as he preached a crusade and in numerous churches. He has taught the counselors for the end of this month crusade in Limon (largest port city on the Caribbean). Our crusade is sponsored by almost all of the pastors in that costal area.

Rigo's schedule for the month of May includes 3, three-night evangelistic crusades, an opportunity to preach to a pastors group, a radio appearance, and to preach in several churches. **PLEASE PRAY FOR RIGO AND THIS SCHEDULE.**

Finally we have been able to print a quantity of very important pre-crusade training materials. We are grateful to God that he has provided the funds necessary.

Because God greatly blessed our January Colombian evangelistic crusades, we have received invitations for Crusades in three northern cities in that country. The best time weather-wise, is June or July. We hope to have the pre-crusade training next month, and then hold the three Colombian Crusades in June. Each of these groups of pastors have agreed to handle all of the crusade expenses, including Rigo's in-country expenses. Rigo and I, by faith, are believing that we will have the \$1000 necessary for his June airfare to Colombia.

Judy and I had hoped to make a May ministry trip to Texas, the one we had to cancel this month because of my hospital stay. We anticipated preaching numerous times in 16 days. Due to my slow recovery, this trip has again been delayed.

Yesterday, a specialist saw reason for me to have further tests. Because there is continuing inflammation around major organs, I cannot have these tests for two weeks. The discomfort persists.

My loving heavenly Father continues to place a burden in my heart to accept invitations of ministry in Guatemala, Costa Rica, and Peru. Through prayer and patience, we will wait until HE provides the means and the strength to travel to minister in our beloved Latin America.

Today, February 3rd, Rigo celebrated his 47 birthday. We are grateful to God for the way HE has used us and the oneness of spirit that we have shared during the four years that we have ministered together.

PLEASE PRAY

- For Rigo and the numerous opportunities of ministry that God has given him.
- For the three evangelistic crusades next month in Costa Rica.
- For the Crusades in northern Colombia and for airfare for Rigo.
- For us to know God's perfect will for a ministry trip to Texas and then trips to Guatemala, Costa Rica, and Peru.
- Please pray that our little team and organization will continue to be used mightily of our Lord to win many more to Christ and to exhort and encourage pastors throughout Latin America to live lives that evidence the presence and the power of our Lord Jesus Christ.

Grateful for your prayer and financial support,
